Industrial Landmarks

A photograph of a large industrial facility, possibly a refinery or chemical plant, at night. The scene is dominated by a tall, cylindrical distillation column on the left, which is brightly lit from within. To its right, a complex network of pipes, walkways, and structural steel frames is visible, also illuminated by artificial lights. Several other tall, dark smokestacks or chimneys rise into the dark blue night sky. The foreground is dark and indistinct, suggesting a body of water or a flat, dark ground. The overall atmosphere is industrial and somewhat somber due to the dark lighting.

Shree Mahavir Education Society
Raj. No. 28/10/2015/2015

August 12, 2015

Dear Mr. Malani,

1999 till 2014 is a long period for you to be associated with Shree Mahavir Education Society, 325,000 sq. feet six RCC Buildings to be used daily by over 2300 students, built by you alone is a noteworthy achievement. We are proud that this partnership was mutual and fruitful to both of us.

The workmanship was above industry standard compared to the rate and this trust did benefit in this.

I strongly recommend the name of Shrinath Construction for similar size of the project.

It gives me immense pleasure to give recommendation for Shrinath Construction, Nashik, who have been part of all the projects undertaken by Kalyani Charitable Trust (KCT) and Kalyani Education Pvt. Ltd (KEPL) since its inception.

To sum up in few words, our experience of working with them has been excellent. They are not only thorough professional in their approach but also very reasonable in their prices. Their team is comprised of very polite & respectful trained personnel, who are committed in every sense.

Most importantly, the outlook, approach and experience of Mr. Devi has been invaluable for us to create such a huge and wonderful campus of Sapkal Knowledge Hub comprising of three professional colleges and one international residential school at Kalyani Hills, Anjaneri-Vodholi, Trimbak Road, Nashik.

We would always recommend them to any project without any hesitation.

We wish them best for all their future projects.

Sincerely,

Ravindra G. Sapkal

CORPORATE SOCIAL RESPONSIBILITY (CSR)

At Shrinath Construction, we believe that true success is not measured by profits and successful projects, but by creating a positive impact in the society we serve. We are guided by a strong sense of responsibility and we are committed to give it back to the people through sustained and meaningful ways.

Our Commitment

We are deeply rooted in values and culture and hence we contribute to the well-being of religious, social, cultural and environmental upliftment.

Key CSR Initiatives

✦ **Religious Infrastructure Development**

We construct religious places on a No-Profit, No-Loss basis, asserting our commitment to cultural preservation and spiritual growth in communities.

✦ **Empowering Adivasi Communities**

Our Director, Mr. Rameshwar Malani, has been a driving force in community service:

- +He is closely associated with Shri Seva Sankalp Samitee, a charitable initiative under Shri Guruji Rugnalaya, which works relentlessly for the upliftment & self-development of nearby Adivasi areas.
- +He is also an active member of Shri Hari Satsang Samitee, dedicated to the welfare and social progress of tribal communities.

✦ **Health and Social Welfare**

Mr. Manali is a Trustee at Manav Seva Foundation, an organization known for its noble work across various sectors including health, education, and social support throughout the Nashik District.

✦ **Community Leadership**

As the current Chairman of the Nashik Road Nagar Maheshwari Sabha, Mr. Malani aims at social welfare and community bonding.

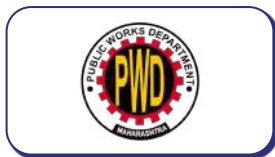

✦ **Environmental Conservation**

Through his involvement with Shri Godavari Ramteerth Samitee, Mr. Malani plays a key role in the Godavari River Rejuvenation Project. He was a pioneer in initiating the daily Goda Aarti, a spiritual and ecological movement held at the holy banks of the River Godavari.

Looking Ahead

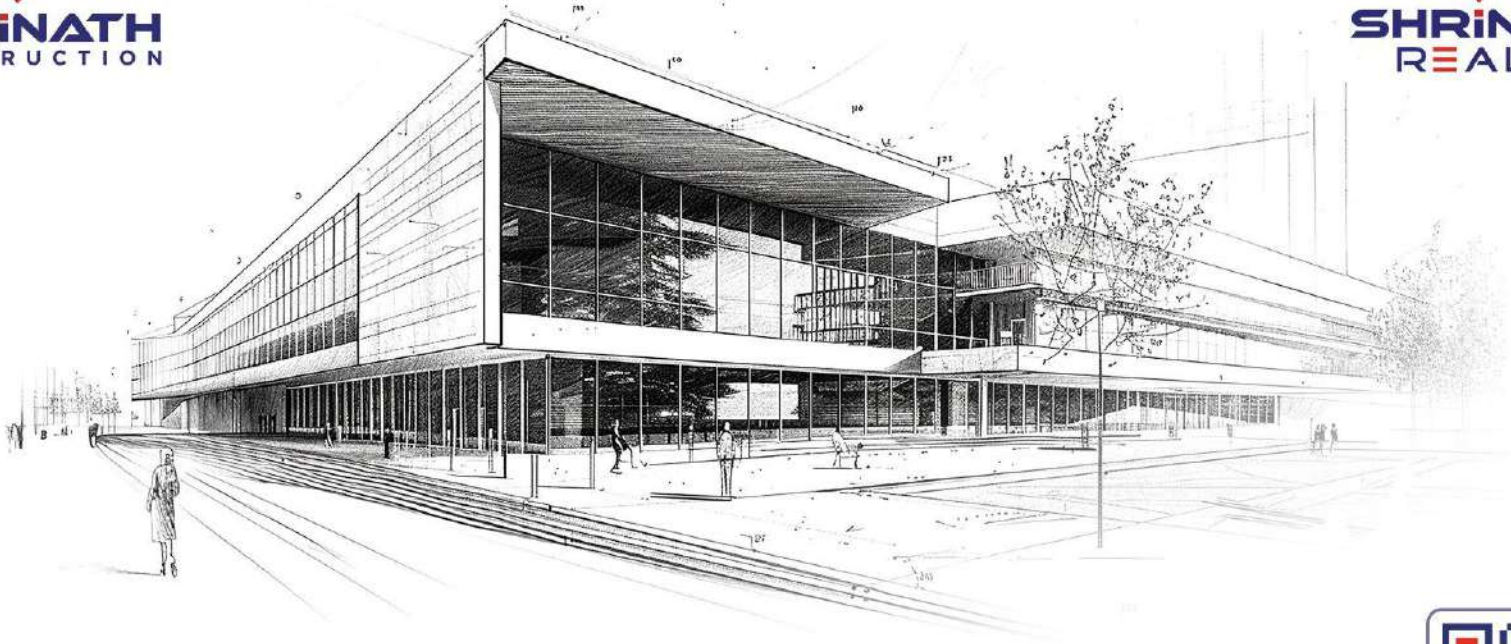

We, at Shrinath Construction, remain committed to expanding our CSR footprint with a focus on long-term sustainability and shared prosperity. By aligning our business goals with social good, we aim to be not just builders of infrastructure—but also builders of a better tomorrow.
